## **Code of Conduct for working with children and young people: promoting good practice and a safeguarding culture**

The following are a guide to helping create a safe and protective culture for young people, staff and volunteers. For full guidance in relation to child protection procedures please refer to the Aim Higher's Child Protection Policy.

### **Practice to be encouraged:**

Treat all children and young people with respect and dignity

Involve young people in the decisions that affect them

Always work in an open environment, avoiding private or unobserved situations

Maintain a safe and appropriate distance with young people (e.g. not sharing tents, shower facilities or having an inappropriate or intimate relationship)

When organising events and meetings for children and young people, or their attendance at events/meetings, the following information/documentation should be requested by Aim Higher/ Volunteers and staff in relation to each child or young person attending the event/meeting:

A Consent Form for all events or specific activities;

Contact details for the family/guardians, including emergency contact numbers;

Information relating to any special issues, needs or requirements (e.g. medical, health, diet, language assistance)

Use a reporting form to keep a clear note of any incidents or concerns

If physical contact is necessary (e.g. in an emergency), tell the young person clearly what you are doing and why, seek their permission and give choices where possible. If possible have another worker present.

Every activity, event or session should be risk assessed to maintain the safety of young people

When working with a mixed gender group there should be staff/volunteers of both genders to manage all activities

## **Practice to be avoided:**

Workers should not give lifts in their car to individual children or young people or travel alone with young people. Where not doing this would compromise Aim Higher Health and Safety Policy (e.g. leaving a young person alone at a venue) you should attempt to phone the parent/guardian of the young person to confirm what you will be doing. You should also ask the young person to sit in the back seat.

Workers should not take young people to their home or that of another worker

Workers should avoid situations where they are alone with young people. Where a private meeting with a lone child/young person is unavoidable it should be held in an open place in view of others or in a room visible to those outside and where a colleague has agreed to visually monitor the meeting. If a young person participates in a review of their involvement in a programme as a result of disruptive or unacceptable behaviour, it is advisable that this review is witnessed by a second staff member/volunteer

Workers should not use their own 'personal' electronic communications (e.g. mobile phones, social networking sites) for contacting young people, unless agreed by the management committee.

## **Unacceptable practice:**

Invading the privacy of children and young people when they are toileting or showering, changing or dressing.

Inappropriate physical or sexually provocative games

Sharing sleeping accommodation with an individual child or young person

Making sexually suggestive comments about or to a child or young person even in fun

Inappropriate and intrusive touching of any form

Scape-goating or ridiculing a child or young person

Allowing inappropriate, foul, sexualised or discriminatory language to remain unchallenged

Any form of physical punishment

Illegal use of drugs

Use of alcohol during an event

Bullying of any form, including name calling or constant criticism

'Picking on' a young person because of their family background, manner of dress or physical characteristic

Racism or sectarianism of any form

Favouritism and exclusion - all young people should be equally supported and encouraged

Abusive language or gestures

**If any of the following occur you must report it to the Gill Jagger:**

A young person is hurt

He/she seems distressed in any manner

A young person appears to be sexually aroused by your actions

A young person misunderstands or misinterprets something you have done

An allegation is made about you or a colleague
